-

PROFESSIONAL EXPERIENCE

Bettle Media

April 2023 - Present

Co Founder and Developer

Founded Bettle Media, a web development and marketing company. As the founder and developer, I have taken on various client projects, interacted with them, and managed my team.

Freelancing

Nov 2022 - Present

Web Designer and Developer

I have successfully undertaken several web development and design projects, including websites related to fitness, gaming, and construction company.

PROJECTS

Funrobics Fithealth

Designed and developed a responsive website for Funrobics, a fitness company.

Link - funrobics.in

Bettle-Beats

Developed Bettle-Beats, a music streaming platform. Includes features such as authentication, music player, ability to like songs, and allowing users to upload their own songs.
